Date: Thursday, October 9, 2014

Admission: \$40/SCHF Members and \$45/Non-Members (includes all supplies)

Description: You will create a painting while learning facts about the world's most famous artists in "More Than a Painting" art class. Each class will be painting in the style of John Singer Sargent.

Classes suit both artists and beginners. Nancy Mitchell believes anyone can learn to draw and be creative. However, in today's world not many people have time for weekly art classes. Each three hour class is based on a painting she designs to mimic the style of a renowned artist. The step-by-step process enables each student to recreate the painting, adding their personal style. Students also learn basics about composition and color mixing.

The students leave with a finished art piece to hang in their home at the end of their class.

Nancy Mitchell has been teaching art for 34 years. As an educator and artist, she practices a variety of media including basic drawing, batik workshops and charcoal.
